

HEALTHCARE BOARD INITIATIVE (HcBI)

Securing Your Seat At The Table

A visionary program designed for Black C-Suite executives in the healthcare industry aspiring to claim their rightful place in the boardroom

Opening Session Begins
September 17, 2024

Our comprehensive curriculum addresses the unique challenges faced by healthcare professionals, covering governance best practices, strategic leadership, financial acumen, and industry intricacies. Participants benefit from mentoring with industry leaders and successful board directors, gaining valuable insights and personalized guidance. HcBI goes beyond education, offering strategic networking opportunities to build connections with like-minded peers and influential figures in the healthcare sector. The program is committed to fostering diversity, equity, and inclusion in corporate leadership, equipping participants with the tools to advocate for change.

Key Program Highlights:

- 1. Tailored Curriculum:** HcBI offers a comprehensive curriculum specifically designed to address the unique challenges and opportunities faced by Black executives in the healthcare sector. Our program covers critical areas such as governance best practices, strategic leadership, financial acumen, and navigating industry complexities.
- 2. Expert Guidance:** Engage with industry leaders, seasoned board directors, and successful executives who will share their insights, experiences, and provide personalized guidance.
- 3. Strategic Networking Opportunities:** Build a powerful network with like-minded peers, accomplished mentors, and influential figures in the healthcare industry. Our program fosters an environment where meaningful connections can be cultivated, opening doors to potential board opportunities.
- 4. Inclusive Leadership Development:** Embrace a curriculum that not only focuses on professional development but also addresses the importance of diversity, equity, and inclusion in corporate leadership. Equip yourself with the tools to advocate for change and contribute to fostering equity in the boardroom.
- 5. Exclusive Resources:** Gain access to a wealth of exclusive resources, including boardroom simulations, case studies, and industry reports. Stay ahead of the curve with cutting-edge insights that will set you apart as a dynamic and informed board candidate.

HEALTHCARE BOARD INITIATIVE (HcBI)

Securing Your Seat At The Table

Why Choose HcBI:

- **Proven Track Record:** The Leverage Network has a history of empowering executives to attain board positions in top-tier organizations.
- **Dedication to Diversity:** We are committed to promoting diversity, equity and inclusivity in corporate leadership, ensuring your unique perspective is valued.
- **Holistic Approach:** HcBI is not just a program; it's a transformative experience that prepares you for the challenges and rewards of board service.
- **P³:** Our three P strategy was established to **prepare** executives for board opportunities; **position** them for greater visibility within the industry; and **promote** them for viable board opportunities.
